
FROM WASHINGTON DC TO TORONTO

Chris Petersen

FOLLOWING THE 2016 US ELECTIONS, THE FOLLOWING CELEBRITIES CLAIMED THEY WOULD MOVE TO CANADA....

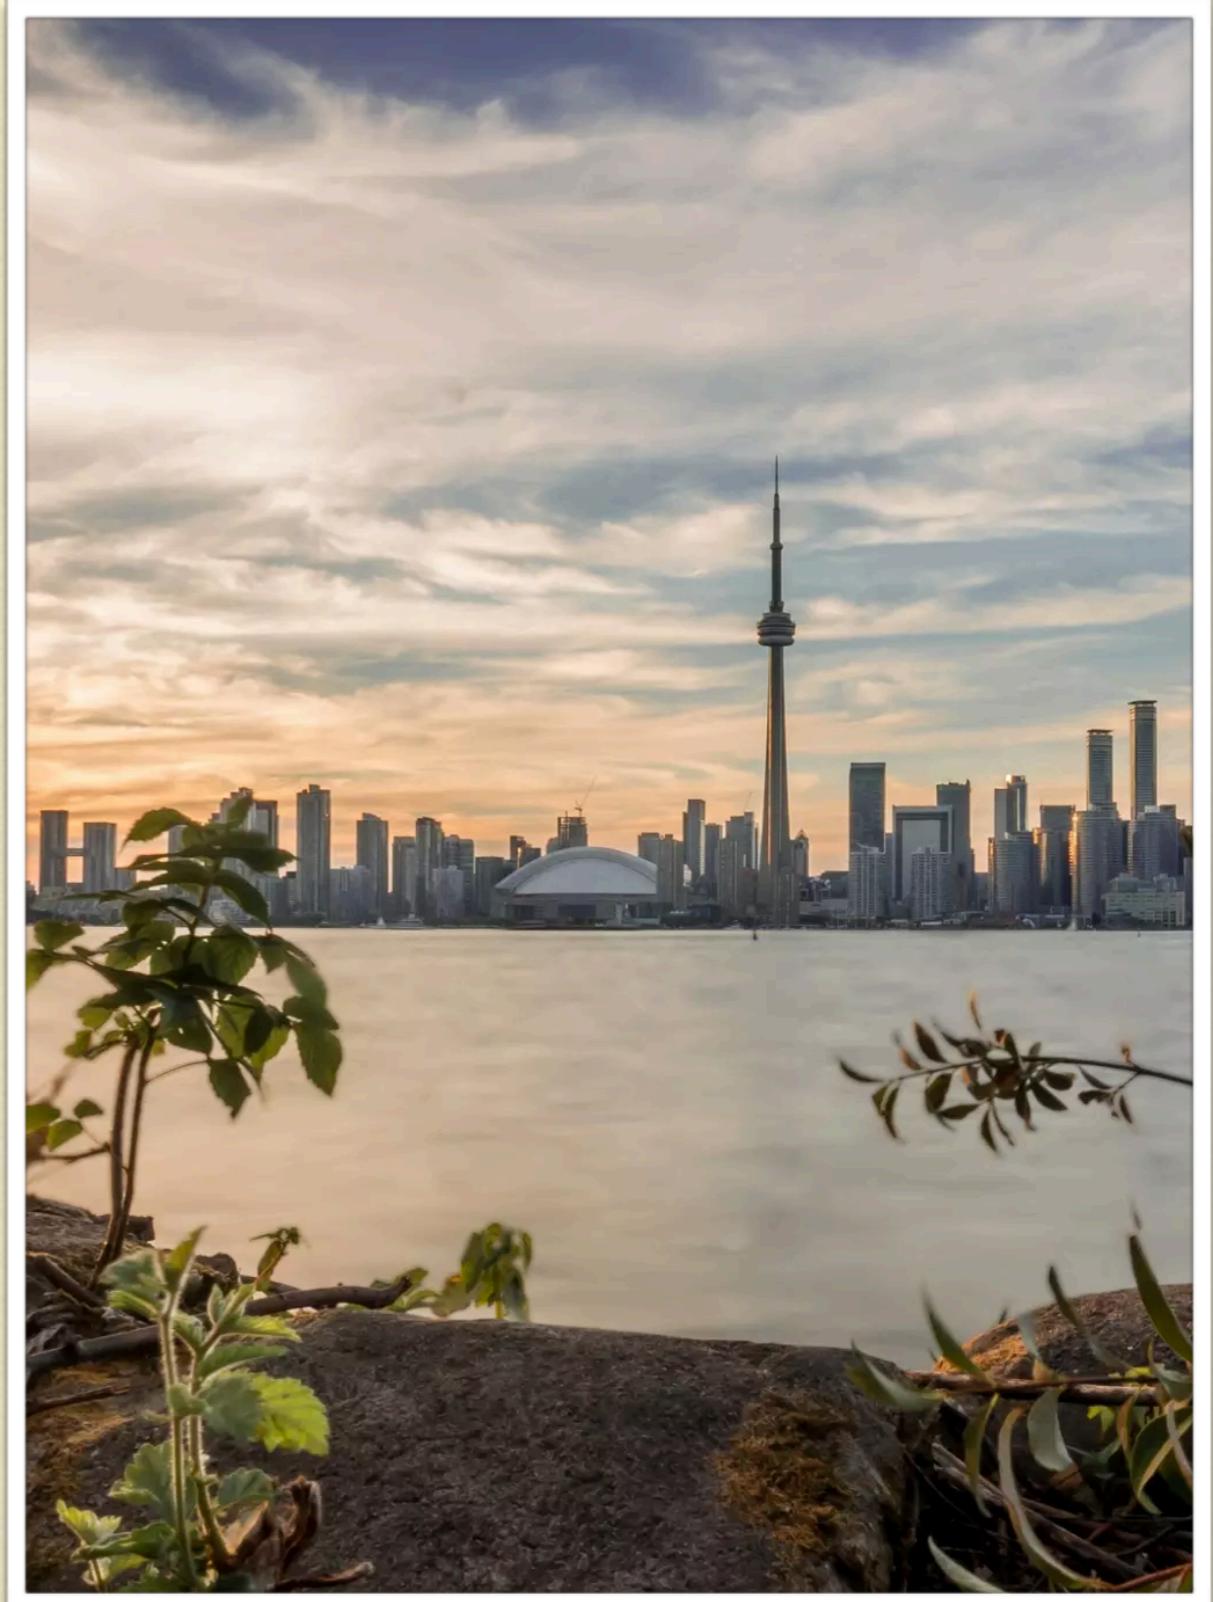

Problem:

I WANTED TO
DECIDE, IF I
HAD TO MOVE,
WHERE
WOULD I
CHOOSE TO
RESIDE.

Problem Continued:

I RECEIVED A JOB IN TORONTO AND HAD TO DECIDE WHAT BOROUGH AND NEIGHBORHOOD TO LIVE IN. I DECIDED I WOULD MAKE MY DECISION BASED ON FAMILY-FRIENDLY VENUES.

- The top 6 choices based on venues are listed to the right.
- Based off of my personal venue choices of: schools, parks, playgrounds, outdoor activities, and other family-friendly activities I narrowed it down to Rosedale and Christie with Rosedale winning based off of green space.

- I was surprised to notice my choice of Rosedale was not listed on any off the Toronto tourism sites as a venue Canadians were trying to draw new citizens/residents too.
- This concerned me, so I took off the blinders and looked up Rosedale online.
- The following slide depicts a home in Rosedale and the reason I realize using venues to choose future home locations is not the best method.
